

it's my party...

July usually finds us buzzing about, searching for the best way to execute our highly anticipated summer soirées. The perfect party requires planning, dedication, and, let's face it—a call to the professionals. *Brilliant* has already done the research for you and rounded up the cream of the crop of Texas event planners. Whether you are planning your dream wedding, product launch, or just want to continue celebrating life, these party gurus will secure every detail necessary to make your soirée the most memorable.
